Maintain the quality of your ice cream and frozen foods in this reliable freezer. With mobility casters, this unit can be moved effortlessly, allowing you to maximize sales in any retail environment.

805129 Ice Cream Freezer

1/1 EA

810785 Chest Freezer - 17 ft

1/1EA

940170 Pizza Oven-Pro - GDP 60" 1/1EA

This model's full width oven door sets flush to the hearth for easy loading. The oven features a heat damper system to regulate top and bottom heat, as well as an easy access door to burner and gas valve. This Garland GPD-60-2 features cool to the touch handles. This unit has stainless steel front and sides with aluminized top.

990122 30" Radiant Broiler with flame failure protection - GD30RBFF 1/1EA

This model features an easy-to-clean stainless steel front that provides durability in eye-catching style, and with this built-in flame protection, the gas supply is automatically shut off when the pilot light goes out.

992962 Tabletop Electric Steamer - 21CET8 1/1EA

This countertop convection steamer is the ideal solution to all of your steam cooking needs. Energy-efficient and cost-effective, this unit utilizes advanced technology and innovative features for superior performance.

860902 Slush Ultra 1/1EA

Patented reversing auger design quickens freeze time and reduces air mixing. Very simple to program and run with touchpad display, which also guides cleaning and preventive maintenance.

BUNN®

Quality Since 1840

Proper brewing methods create an ideal coffee drinking experience. We manage the science of brewing so you don't have to. BUNN offers a complete portfolio of precision brewing and serving systems that are designed to produce optimum flavour. The machine matters!

Pourover brewers are fully portable, ready for use anywhere there is an appropriate electrical supply: having three warming stations allows for more serving options.

- **Pourover brewer requires no plumbing – completely portable**
- **SplashGard® funnel deflects hot liquids away from the hand**
- **All stainless steel construction**
- **Two individually controlled warmers**
